CULTURAL TOUR

EXPERIENCE THE AUTHENTICITY OF TANZANIAN CULTURE

ITINERARY: ARUSHA / MOSHI / MARANGU / ARUSHA

At Planet Lodges, we begin this cultural discovery at your doorstep, departing from our locations with packed picnic lunches. Our route takes us through bustling Moshi town, making our onward journey to Marangu.

ADMIRING NATURE'S GIANTS

A key stop on our itinerary is some of the region's finest natural attractions: the mighty baobabs. Prized as one of the largest tree species in the region, our guests relish the opportunity to capture lasting memories with these gentle giants.

DELVING DEEPER INTO CHAGA HERITAGE

Upon arrival in Marangu, a visit to the Chaga museum is on the agenda. The museum takes visitors on a journey through the rich cultural and historical tapestry of the Chaga people. Further exploration leads us to the local Chaga cave and the surrounding village, which offers an authentic snapshot of rural Tanzanian life.

RELAXATION EXPERIENCE

A chance to unwind comes in the form of a stopover at a nearby waterfall, where our guests can break for lunch amid the tranquil sounds of nature. For those with an adventurous streak, an optional visit to the Marangu gate offers a glimpse at one of the key ascent points for climbing Mount Kilimanjaro.

RETURN TO COMFORT

The day ends with a relaxing drive back, during which we drop off our guests back at the comfort of Planet Lodge.

MULALA COFFEE & CHEESE TOUR

/05

A BEAUTIFUL BLEND OF EXPERIENCE & EXPLORATION

Venture into the heart of Arusha's lush scene on our Mulala Coffee and Cheese Tour. Embrace Mulala, a charming village cradled on the southern slopes of Mount Meru, where nature's grandeur pairs with vibrant traditions. As you explore this picturesque hamlet, dive deep into the secrets behind coffee production and the finesse of artisanal cheese-making. Join Planet Lodges in crafting memories, as we journey through Mulala's rich flavours, peppered with authentic Tanzanian culture.

FROM COFFEE BERRIES TO CHEESE CURDS

Embark upon a sensory journey that starts within the verdant landscapes of the Mountain Green Coffee farm.

Here, become a part of Mulala's coffee story, engaging in local methods of de-fruiting and drying coffee seeds. To truly capture the essence, sample a cup of homemade coffee, brewed by your very hands.

As you traverse the village, banana farms mark your path, leading you to an elevation of approximately 1,800m. Pause and drink in panoramic views capturing Mount Meru, Kilimanjaro, Usa River village, and Lake Duluti – a Tanzanian canvas painted with natural brilliance.

Immerse deeper in local culture by sharing a home experience, a window into the traditional Tanzanian life. Thereafter, visit the innovative Mountain

Green cheese-making unit, where biogas partly powers the creation of exquisite local cheeses like Gouda, Cheddar, and Feta. The Mulala Coffee and Cheese Tour, at its heart, is a narrative of rich culture, delightful flavors, and a sustainable future.

ALTERNATIVE OPTIONS

If you're interested in alternative coffee plantation tours, you may consider the following options:

SHANGA: ARTFUL RESILIENCE

Step into Shanga, an enchanting realm of arts, crafts, and recycled wonders, artfully crafted by gifted individuals with disabilities. Each piece is a testament to their resilience and skill. Reward your senses, relishing a delightful meal at their serene restaurant, savouring local flavours imbued with a Tanzanian touch.

NKOARANGA: SUSTAINABLE BREW

Immerse yourself in Nkoaranga, the heartbeat of sustainable coffee farming. With each step through organic coffee plantations, sense the commitment to eco-conscious practices.

Unravel the journey of the coffee bean, fostering a deeper appreciation for your favourite brew. Crown your discovery with a local lunch at the plant, celebrating the harmony of ecology and gastronomy.
